Lite	Non-Production	Production
The Lite service plan provides a lightweight development environment to get you started with the connectivity capabilities of Watson IoT Platform.	The Non-Production service plan is a full-featured, fully-integrated offering that enables you to explore Watson IoT Platform to see how the service can fit into your IoT environment.	The Production service is a fully managed SaaS offering that enables you to manage and analyze enterprise IoT data.
• Free	• Starts at $500 per month	• Includes IBM Service & Support
